Distinguished as the First Ever Law Firm Listed in PSBJ's 100 Fastest-Growing

SEATTLE, Wash. – October 12, 2011 – McKinley Irvin, Washington's largest law firm focused exclusively on divorce and family law, announced today that it has achieved a #90 ranking on the Puget Sound Business Journal's "100 Fastest-Growing Private Companies" in Washington State for 2011. McKinley Irvin is the first law firm to ever achieve ranking on this list.

This award recognizes privately held companies who have sustained a high level of growth. Puget Sound Business Journal researched and verified year-over-year revenue growth from 2008 to 2010 to determine its list of the 100 fastest growing private companies in Washington state. The Puget Sound Business Journal recognized recipients and announced the rankings at an event held October 13, 2011 in Seattle.

McKinley Irvin is a family law firm with over 20 attorneys who practice exclusively family law. The firm has been in practice since 1991, serving western Washington State with offices in Seattle and Tacoma. The firm recently opened office in Portland, Oregon and is also serving Vancouver, WA and the Portland metropolitan area.

"We have an amazing group of attorneys and staff that have helped us continue to grow and expand our family law practice," said Sands McKinley, cofounder and managing partner of McKinley Irvin. "Our attorneys are among the best in the field of family law. Every year, the excellence of their legal abilities and passion for our clients only gets stronger. This is the key factor in the success of our firm."
